## **MANUFACTURING TOWARD A GREEN WORLD!**

San Antonio Texas, May 21, 2009: YOU & Associates, LLC a leading North America Marketing and Sales Supply Chain Solution Company with Asia manufacturing equity share holdings in Electronic, Sheet Metal and Plastics; today announced its **"Green World Initiative"** maintaining its ROHS international compliance, using energy efficient equipment, eco-friendly materials, recycling waste and implementing a green initiative quality control team; all making Y&A a forward thinking leader in environmentally conscious Supply Chain Manufacturing.

"Let's face it, the majority of most products we use everyday are manufactured in Asia, so we can't bank our future on only working toward a cleaner America" said; Jerry Baca, Managing Director. Jerry continued; "We have a broader responsibility to help raise world awareness that ensures all products, no matter where its life cycle begins, are manufactured with an environmentally safe conscious course of action. Our Y&A **Green World Initiative** starts with product design, eco-safe manufacturing, eco-friendly packaging and all the way through to the best fuel efficient choice of delivery. This is not an option, it's our responsibility to help turn our world **Green** and protect the future".
